Tyson Brooks	KI7FXJ		

Tyson opened the meeting at 1957. Gary read the minutes of 25 September 2018 meeting. Minutes accepted with no changes
Treasurer's report: we have $2055.47. No changes.

Old Business

Tyson is working on membership mailings and on the Quartermaster's inventory.
The club' s Google account will list all board members, membership numbers, the Quartermaster inventory list and anything else of importance that is needed to be retained.
Tyson will send an e-mail to board members to help enable them to log in to the Google website.
Joel produced receipts for merchandise purchased for the club barbeque, which amounted to $85.88 USD.

New Business

Club officer elections are coming up in January 2019. We debated if January is perhaps a poor month in which to hold elections as weather is poor and not all members can attend meetings in winter. we are soliciting ideas on elections, are there better times in the year for elections. May need to amend our constitution. Please think about alternate ways to vote and elect i.e. e=mail, snail mail, website.

Mark Peterson of ARRG replaced the 147.260 repeater. They will relocate it if it goes bad.

Mark had a fall from a tower recently. Reminder to follow safety rules.

Next ARES SET is scheduled for 8 November 2018 and they need operators

JR in Halfway Oregon and others are getting close to testing for licenses.

Mike Abernathy discussed contests. Tyson would like us to get together possibly on a quarterly basis as a club and patriciate in contests.

Upcoming events

La Grande gun show. We would like to set up a shack.
Slow Scan TV this weekend. The space station will be transmitting Friday to Monday. Tyson has details.

Tyson did a software update on the club repeater and he will go and label our equipment at the Grande Ronde Hospital

Let Tyson know if you would like to conduct another fox hunt this year

QST published another frequency measurement event that is coming up

(http://www.arrl.org/frequency-measuring-test)

Meeting adjourned at 1828 after which we held a VE session and Mike Abernathy moved from General to EXTRA class.

Chapeaux and well done. Felicitations hombre! And congratulants in all languages.
